

Certification of Translation Accuracy

Translation of **Transcript** from **English** to **Thai**.

Ref: 02665

Sawadee Solution Digital Service Co., Ltd, a professional translation agency having no relation to the client, certifies that the afore-mentioned document has been translated by an experienced and qualified translator who is fluent and competent to translate from **English** into **Thai**. In our best judgment, the translated text truly reflects the content, meaning, and style of the original text and constitutes in every respect a correct and true translation of the original document.

Please note that this certification attests to the accuracy of the translation only and does not guarantee that the original is a genuine document or that statements contained in the document are true. Sawadee Solution Digital Service Co., Ltd assumes no liability for the way in which the translation is used either by the customer or a third-party.
